

Environmental Policy

- 1. Watford Scaffolding is a specialist supplier of professional scaffolding solutions, including a range of commercial and residential scaffolding, maintenance access and beam work, using experienced and qualified erectors.*
- 2. To fulfil this mission, we have identified the aspects of our activities that we believe could have a significant impact on the environment and have taken action to minimise these impacts to protect the environment and prevent pollution.*
- 3. To help us achieve these aims, we have implemented an Integrated Management System (IMS) complying with the international standard ISO 14001:2015.*
- 4. We are committed to continually improving the effectiveness of our IMS, and have set, and will monitor performance against relevant environmental objectives and targets.*
- 5. This policy is periodically reviewed to ensure its continuing suitability and is communicated to all members of staff and any associates and/or sub-contractors working on our behalf, through induction and general awareness training. It is displayed in our office and on our website making it fully available to all interested parties including, where appropriate, members of the public.*
